

**PANDA** STUDIO

A stylized black and white graphic of a panda's face is integrated into the logo. The panda's eyes are represented by the two large 'O's in 'STUDIO', which have small white pupils. The panda's ears are two solid black circles positioned above the 'O's. A small black circle with a vertical line below it represents the panda's nose, located between the two 'O's. The entire logo is contained within a white rounded rectangular border.
